Traveler Reviews <i>Great food and service at Taylors Port lodge</i> Reviewed by A TripAdvisor Member on Oct 2, 2008  <p>We had lunch here after experiencing the port tour. The restaurant is set by a lovely garden with views down over the river to Porto. We had the best meal we had in Porto here. The food was modern, fresh, tasty and very well presented. The service was also excellent. Much of the food we had in Porto was very ordinary and basic, This stood out as different. We would recommend it.</p>
