Quality Inn Hotel da Batalha - Excellent value for money. Great location near Majestic Cafe, shopping centre, cathedral, restaurants and an easy downhill walk to the Ribeira. Breakfast was ample and the staff worked really well to quickly clear / relay tables and kept the buffet topped up.

Two very small lifts serve all floors so are very busy when coach tours arrive / check-out. We were in room 210 which meant we could use the stairs to avoid any hold up's and enjoy a view of the Batalha Square.

Use the Hop-on Hop-off busses. It is worth the effort to visit the Taylor's Port Wine Cellar which is set in beautiful surroundings. The free tour includes two glasses of Port (White and LBV). The restaurant at Taylor's 'Restaurante Barao De Fladgate' is excellent for that special occasion with fabulous views over Porto and the River Douro. Also recommend 'Restaurante Abadia Do Porto' (huge portions) and 'Restaurante Tripeiro'
